

Meadows Elementary Volunteer Form 2015-2016

Parent volunteers are vital to making Meadows the wonderful place it is! Volunteering is a great way to meet new friends and support our school, plus it gets you one step closer to becoming a Super Stang! Below, please check the school-wide activities/events that you'd be interested in helping with this school year (opportunities to volunteer directly within your child's classroom will be discussed at Back to School Night in the fall). Questions? Email our Volunteer Coordinators at jjcorr1@yahoo.com or floresmolter@yahoo.com. Thank you for all you do!!!
