

# Makerspace Liability Waiver

## Assumption of Risk and Release

You agree that you are voluntarily participating in Makerspace with knowledge of the risks of doing so, such as the risks of injury or property damage from the use of potentially dangerous tools or materials, and/or the active or passive negligence of Makerspace sponsors and suppliers, including School and their respective parent volunteers, staff, teachers and special guests. You release us for all liability, claims, damage, or demands arising from or related to your participation in the Makerspace.

## Recordings

You acknowledge that Makerspace events may be recorded in audio, visual and or audiovisual media and you consent to the making and use of such recordings by Meadows School and/or its licensees for any purpose. You release Meadows School and its licensees from and waive any claims related to or arising by reason of the making and/or use of any such recordings. You grant to Meadows School the right to use your name and likeness in connection with the use of the recordings.

## Acknowledgement

You acknowledge that you have read this Agreement and understand that it includes an assumption of the risk and a release of liability. We are relying on this waiver to allow you to participate in the Makerspace.

## Participation

You understand your goal is to define a project and work with other Makerspace and mentors to exhibit your completed project (or evidence of what you've accomplished to that point) at Makerspace events (Open House). You agree to use the facilities, tools and materials in a safe way, and to alert fellow Makerspace, mentors and or program leaders when facilities, tools and materials are being used in a way that could cause harm to themselves or others. You will be careful not to waste materials and will clean up after yourself. You will provide others with assistance or helpful feedback when you see a way their project could be improved, if such feedback is welcomed. You agree to tell program leaders changes you'd make to the program to improve future workshops. That is: I'll come. I'll make something. I'll help others and stay safe. I will clean up after myself.
