

# Student Store This Thursday!

**What is Student Store?** Student Store is a PTA-sponsored program where 1st-5th grade students can purchase pencils, pens, erasers, folders, and small toys. It takes place the 2nd or 3rd Thursday of each month and is held in the Meadows cafeteria during lunch. Be sure to check the Mustang Minute and the Meadows website for any changes to this schedule.

Items at Student Store are usually priced between 10 cents and one dollar. Students use cash or SKORR Cards to purchase items.

\*\*\* Gold Cards can be used through November.

**What are SKORR Cards and how does my child use them?** SKORR Cards are the new Gold Cards! Just like the Gold Cards they are replacing, SKORR Cards are certificates given to students by teachers, staff, and PTA committees as rewards for doing something special. They have a monetary value of 10 cents when used at Student Store or Ice Cream Friday.

**New this year!** Instead of using the SKORR Card at Student Store or Ice Cream Friday, your child has the option to submit his/her SKORR Card to Ms. Whitt for an entry into a weekly drawing! More details on this to follow!

**It's my child's birthday month. Do you do anything special?** Yes! If he/she lets us know, we'll give him/her a special "Happy Birthday" pencil to celebrate. Kids with September or October birthdays can get their gift this month. Those with summer birthdays will receive it in June.
